Navigating the complex world of international travel and visa requirements can be challenging. With Timatic – the industry's leading travel document solution – you'll have access to the most current travel information about the passport, visa, and health documents required for your journey. Our team is dedicated to ensuring the highest level of accuracy regarding entry requirements, with up to 200 daily rule changes and updates made immediately available once properly confirmed. Meanwhile, we also publish the latest information on international travel restrictions (e.g. Covid-19) to prevent any potential travel inconvenience.

We care about your privacy.
